

Digital Prank Gift Card - Instructions

Thank You for Your Purchase!

You've received a realistic looking digital **\$100 Christmas Gift Card Prank** designed to surprise your friends, coworkers, and family with a hilarious twist.

Use this digital card to prank anyone instantly. No shipping, no waiting.

★ How to Use This Digital Prank

1. Save the Gift Card Image

Download the attached image to your device (phone or computer).

It will look like a legitimate \$100 holiday gift card with a scannable QR code.

2. Send It to Your Target

You can prank someone by:

- Texting the gift card image
- Emailing it
- Sending it through Messenger, Instagram, or any app
- Printing it and giving it physically

3. Tell Them: "Scan to Activate Your \$100 Gift Card."

Act natural.

Let them believe they're redeeming a real Christmas gift.

4. They Scan the QR Code

The QR code takes them to a clean, official looking "Gift Card Activation" page on our website.

5. They Tap to Activate... and BOOM

Their phone plays a **loud, embarrassing moaning sound** at full volume.

This works on ANY smartphone.

Perfect For:

- Secret Santa
- Office holiday parties
- Coworkers
- Brothers, sisters, in-laws
- Roommates
- Friends who fall for everything

This digital version is instant, reusable, and extremely convincing.

Important Notes

- This is a **prank product only**. There is **no actual monetary value** on the gift card.
 - Works on all modern smartphones.
 - Ensure your volume is on when testing the card yourself.
 - Use responsibly... or irresponsibly. 🙈
